### Description

Pages and Paws Cafe is a paradise for book, cat, and coffee lovers. It is a non-profit cafe that serves coffee, tea, pastries and allows patrons to hang out with adoptable cats while reading or purchasing books. The cafe is run by paid staff and unpaid volunteers. There are events that are related to cats like educational events, cat adoption events, and fundraisers as well as book clubs, "book of the month subscription", and book signings. The cafe works with local animal shelters and humane societies to give their cats an opportunity to be adopted.

### Scenario Questions (at least 10)

1. Has customer X adopted any cats?
2. Does volunteer Y have any cats they are caring for?
3. How many copies of book Z have been purchased?
4. What is the average number of books purchased per week?
5. What item(s) produce(s) the most revenue?
6. How many cats are kept at the cafe on a daily basis?
7. Where are the cafe's coffee beans sourced from?
8. How many of pastry P were sold on a certain date?
9. How many people attended an event?
10. How many events have been scheduled within a particular month?
11. What genres of books do we carry?
12. How many customers have signed up for a book subscription?
